

APRIL 2019

Brookwood
PRESCHOOL ACADEMY

The nice spring weather is trying to show itself!

During the month of April your child may learn about rain, birds, dinosaurs, flowers, Humpty Dumpty, Earth Day and Easter. Our color for the month is yellow, and our shape is diamond.

Dates to Remember:

Wednesday, April 10 Yellow Day

Monday–Friday, April 15–19 Spring break • No part-time 9 am–1 pm school

Friday April 19 Academy closing at 1 pm

Monday, April 22 Academy closed

Monday, April 22 Earth Day

Monday, April 29 Teacher Appreciation Week

Tuesday, May 21 K4 Graduation

Thursday, July 4 Closed

Friday, July 5 Closed

Drop Off

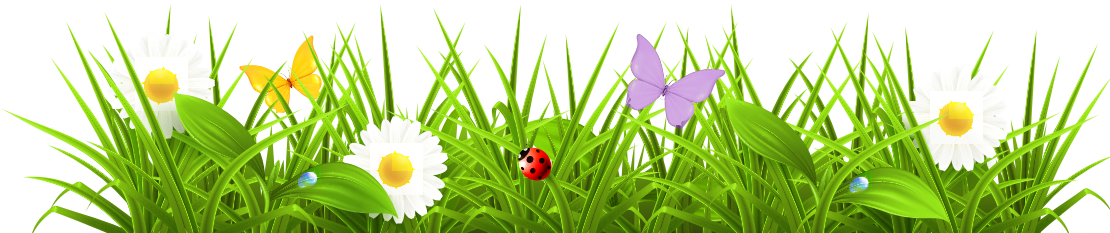

When dropping off your child in the morning, please walk them to their classroom and sign them in. Keep safety in mind. Allowing them to run ahead while you do something else may not be safe. In the morning teachers are also getting ready for the day and may not be in their classrooms. Lastly, please remind your child to use their walking feet. Thank you in advance for your help with this.

Immunization Records

As your child receives new shots, please bring updated immunization records to the office for our records.

Teacher Appreciation Week

We think our staff is a special group of people. They teach and love your children like they are their own. During the week of April 29 we encourage you to pick a day to surprise your teacher with something special. Some ideas that we've seen include: gift cards, cups of coffee, candy, flowers, movie tickets and sweet treats. We have lists available of the teachers' favorite items. Whatever you choose, know that our staff will truly appreciate it.

Warm Weather Clothing

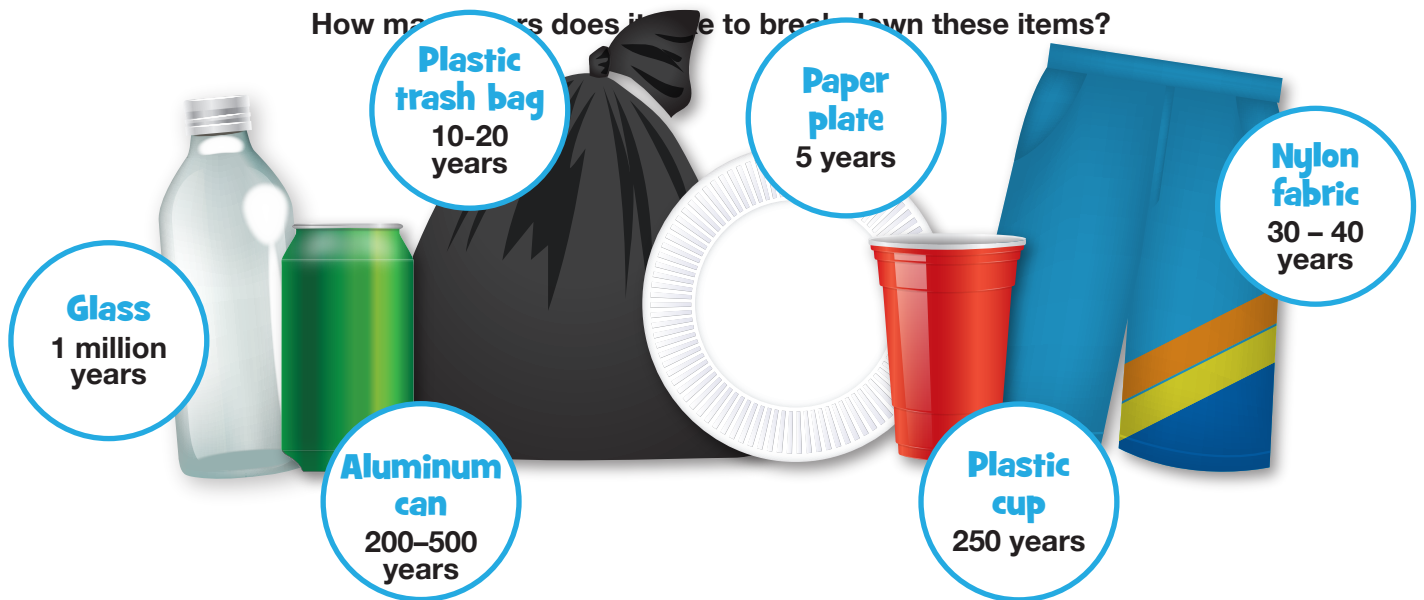

With the warmer weather starting please dress your child appropriately for the day. Keep in mind, it may still be chilly in the morning. Crocs, flip flops and open back sandals are not permitted at the Academy. Also, if your daughter wears a dress or skirt, please consider having her wear shorts or bloomers as well.

Graduation

K4 graduation will be Tuesday, May 21 at 6 pm in the Brookwood Auditorium. Mark your calendars. More information to come.

DID YOU KNOW?

How many years does it take to break down these items?

Throwing 1 gallon of used oil into the trash, onto the ground or into the septic tank or storm drains will pollute over 1 million gallons of our drinking water! Enough to supply 50 people for a year! Please recycle your oil properly.

Please Recycle!
Earth Day is Monday, April 22.
