READ TOGETHER

Genesis 39:1–23

1. Have you ever been punished for something you didn't do?
2. Or maybe you have the perception that you didn't do anything wrong?

LIVE IT

As Christ-followers trying to live for Jesus, we'll have moments when this world will speak contrary about *Who* we're following. Trials will come to test our faith as Joseph experienced, maybe not with such drastic punishments, but we will be challenged. So if you're a believer, expect tests to come in uncomfortable and tempting situations.

As we face trials, we'll have choices to make. Will we live with integrity at all costs, even if it means losing a friend group, missing out on something fun, or imprisonment like Joseph? Joseph honored Potiphar and God by making the right choice, even though he ended up in prison for a long time. But God keeps His promises, and He honored Joseph by giving favor in prison. In the midst of whatever you might go through, let God fix the problems you can't fix! Let *integrity* be your middle name.

LEAN ON GOD

Dear God,

Thank you God, for Joseph's example of integrity amid wealth and power. Let us be this same way for You.

In Jesus name,

Amen
