

Family Talk – Calling

READ TOGETHER

1 Samuel 3:1-21

1. Samuel didn't know that God was speaking to him or that God would speak to him. Why?
2. Why do you think Samuel was afraid to tell Eli what God said to him?

LIVE IT

It's interesting how quickly God entrusted His serious message to Samuel even though Samuel just learned to recognize His voice. Samuel went from never hearing the voice of God to immediately having a huge responsibility!

God entrusts us with His Word. The time we spend with Him is an investment that's never wasted and always has a positive return. How are we sharing what we've heard from God with others?

As a family, pray and ask God for an encouraging word for each person in your family. Set a date to share what God revealed to each of you.

LEAN ON GOD

Dear God,

Thank You for speaking to us. God help us share what You've shared with us. God make our words useful for Your kingdom and help others receive them as Your Words.

Amen.
