### READ TOGETHER

---

#### Hebrews 11:1–3

1. Hebrews 11:1 gives a definition of faith. What do you notice about this definition?
2. Read the rest of Hebrews 11. What unites all of these people together?

### LIVE IT

---

Faithfulness is allegiance to Christ. It's knowing that God will come through even when we cannot see it. It's hoping even when we see things that seem to contradict.

Faith is what unites us to Christ. Scripture teaches us that we need endurance to remain faithful to Christ. Our faith can also grow as we read and obey God's Word. This week make an effort to grow your faith. Find one thing in God's Word to obey faithfully and pray asking God to increase your faith.

### LEAN ON GOD

---

Dear God,

Thank You for being faithful. We can trust You at all times. We are so thankful that we can depend on You even when we can't see it or explain it.

We love You.

Amen.
