

Family Talk – Pursue Relationship with Jesus

READ TOGETHER

Matthew 26:26–28

The word **covenant** means a strong promise. God wants a relationship with us, so He promises that Jesus' sacrifice is all we need for forgiveness of sins.

1. How do you feel knowing God wants a relationship with you?
2. What step did God take to have a relationship with you?
3. What steps can you take to have a relationship with Him?

LIVE IT

As a family reflect on the sacrifice of Jesus. Share some stories together about what His sacrifice means to each of you. Take note of specific words that multiple members of your family share. Pray and thank God for sending Jesus.

If everyone in your household is a believer, take an opportunity to do the Lord's Supper together. It's to be taken with great care and sincerity.

Use some bread and juice for the elements.

Take some time to ask God what step you should take to make sure you are in right standing with Him. Ask everyone to pause and reflect on their relationship with Jesus and to confess any sin in their life to God.

After reading the Scripture (Matthew 26:26-28) and taking the elements, celebrate what Jesus has done in your life.

LEAN ON GOD

Dear God,

Thank you for pursuing a relationship with us. You gave Your Son Jesus for us. You are amazing and we are thankful that we are good in Your sight because of Jesus.

Help us share the good news of Jesus with someone we know who needs Your love.

We love You.
Amen.
