

Family Talk – Pursue Relationship with Jesus

LISTEN TOGETHER

Read Acts 13:22; Psalms 119:9–16

1. David was called a *man after God's own heart*. What do you think that meant according to Psalm 119?
2. Do you know anyone who you would say is someone “after God's own heart”? What makes them different than other people?
3. How would it make you feel if someone said that you were someone “after God's own heart?” What steps can you take to become that person? Who can help you?

LIVE IT

Loving God is a trait we don't often see. When we experience it by someone's behavior, we want to be around that person even more. They increase our faith.

As a family, list behaviors you notice about a person who is after God's own heart. Write a note to someone who you think has these traits and thank them for their example.

Pray and ask God to make you closer to Him and change your heart to become more like His.

LEAN ON GOD

Dear God,

Thank You for the example of David and the life that he lived. Thank You for the life of those around us who show us a life that Loves God.

Help me to become more like You. Change my heart to become more like Yours.

Amen.
