

Family Talk– Remember

READ TOGETHER

Psalm 77

1. Psalm 77 begins as a song about times of trouble. Have you had a problem that kept you from moving forward?
2. Beginning in verse 11, read about the *wonderful deeds* and *mighty works* God has done. Think back and remember the ways God has grown you. Did you learn from your mistakes? Have you learned from wiser people's stories?
3. Picture what it looked like when God parted the Red Sea. Do you look forward and trust what God has in store for you?

LIVE IT

Our past makes up our unique testimony. There are two ways we can look at our past:

1. We can see our problems as obstacles that have kept us from being all we can be, or
2. We can see our problems as opportunities where God has grown us.

As a family discuss how God has done *mighty works* in your lives.

LEAN ON GOD

Dear God,

Show me how Your hand has been actively molding me into who You want me to be. Forgive me when I lack trust in what You're doing. Help me trust that You will use me for Your great purposes.

In Jesus name,

Amen.
